

# slinoback™

the tieback and curtain accessory

## INTRODUCING OUR NEW INNOVATION

Tieback and trim in one, quick and easy to attach and non-permanent...

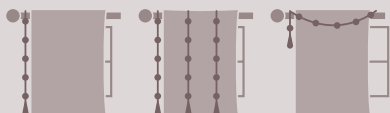

The Slingback is an innovative new concept from British Trimmings fusing the functionality of a curtain tieback together with the aesthetic appeal of decorative trimming.

In a world of rapidly changing interior trends, a desire for instant gratification, easy application and multi functional products, the Slingback can offer it all.

## HOW TO USE

The Slingback creates a beautiful decorative tieback at either edge of your curtain with no wall fitting required.

It can also be used as a decorative trim either hung singularly, in multiples or draped for a truly stunning finish.

Glass Beads & Wax Cord Slingback

To attach simply place the looped end of The Slingback over your curtain pole, then simply pass the weighted end through the loop to secure in place.

Braided Ball Slingback
